Welcome
to a newer format
and design of our
bimonthly TLG News
Bulletin!

We've made some
major changes. In

this time of digital sound bytes, we offer a new and improved layout for easy and convenient scanning and discovery of what we offer.

Some of the revised features offered are listed:

- A pull out bimonthly calendar listing briefly all programs, Sunday and special services, including important upcoming events.
- Miracles Bookstore news, new books, specialty gift items and exciting workshops offered by Bookstore.
- One or two page roster of on-going classes, study groups and discussion groups.
- Featured guest(s) for Sunday programs plus longer workshops for in-depth studies.

Our staff of volunteers has done an incredible job to pull all the details together. We are honored to be able to work with such creative, talented and creative people.

Visit us soon. We look forward to seeing you at one or as many of our programs as may be possible.

Website

We are creating a new website at www.tlgtemple.org. It's a fresh new look with many one touch entry points revealing just what you may wish or need to know. Visit us soon.

Reflections

We Are Experiencing Changes!

As one visits the Temple, checks out our Bookstore, attends services and participates in classes, evidence of change is all around us.

The new form of our bimonthly bulletin has a new format too! It's smaller, but more concise. A lot of the additional detail of the bulletin has been streamlined hopefully leading to clearer, crisper imagery and content. It's been a creative challenge to bring these changes forward.

In life, all of us experience changes whether of a complex nature or simple matters that occur quite regularly. Loved ones leave, jobs disappear, business demands bring needed restructuring changes in the way jobs are defined. We (each one) need to learn how to accept what is happening, thus to adapt to the new structures and requirements.

As we, individually and individually to accommodate changes, the following points may be helpful:

- (a) **Be internally willing to be flexible**, adaptable, and open to see the value of the changes, often called the 'big picture'.
- (b) **Be receptive to cooperate** as needed with one another to make the changes that may be needed.
- (c) **In offering suggestions**: does the suggestion have a place in the overall picture for probable success? Organizations move toward internal changes at their own internal rate. Individually we may take a longer or shorter period of time to make changes.
- (d) **Patience is a virtue** ... It's a spiritual practice. Our patience allows a process to work at its own pace. That also applies to individuals as well as organizations!
- (e) **Let go of the need** to attempt to control the outcome.. When we attempt to push someone or something, an unintended result may be "push back" or resistance. Each person has his internal process and I believe it's important to make space in our thoughts, in our mind and in the unique setting we're in to allow the changes unfold as they will or may be intended!
- (f.) **Bless the change** you seek. A true blessing affirms everyone and all aspects. It has the power to touch each one or even the organization with a meaningful sense of empowerment.

TLG OUTREACH Interfaith Tampa Bay

Interfaith Tampa Bay Group

Once a month, the interfaith Tampa Bay group meets at the Hangar Restaurant in St. Petersburg. Ministers and lay people from many different faiths join together in the spirit of Oneness, Unity, Truth, Love and Peace. We share in an inter-active discussion, and plan for a variety of interfaith events throughout the year.

Many representatives of the various faiths come

together, to reach out for community support, sharing ideas and activities in spiritually educational, as well as social arenas. TLG is honored and privileged to be a part of this spiritual and loving group.

Rev. Karmene Lusia attends both of these outreach meetings as the TLG minister representative.

Historic Kenwood Best Business Award

We, at the Temple of the Living God, are proud to receive the “Best Business Award” presented to us this past May by the Historic Kenwood Association. It has been deeply rewarding to be a member of HKNA, attending their monthly meetings, providing space for their monthly HKNA meetings, as well as their monthly Artists’ Enclave gatherings. We have provided a creative space for the artist showcase during BungaloFest 2016, as well as, being supportive of the HKNA community in various other ways throughout the years. As former president, Brenda Gordon, states, “We are so appreciative of the Temple of

the Living God and their support of the wonderful community we live in!

Thank you, Brenda for your kind acknowledgement.

*To my beloved Temple family and friends,
I would like to express my sincere appreciation
for all the thoughts and prayers, well wishes
and cards that were sent my way, while I
went through a recent physical challenge.*

Thank you.

*With much love,
Rev. Karmene*
