*This exciting and timely series of classes
will examine the charts of students to help understand
their Spiritual Journey and Destiny to be fulfilled.*

To accomplish this assessment, these classes will focus on the interpretation of charts and events through the use of the natal, progressed, transits and the spiritual understanding of the charts/event. There will be a thorough discussion on each of the planets and how they affect one another when they are combined. A good, working knowledge of Astrological basics is therefore required. Some charts of the attendees will be used as examples of interpretation.

The Lord's Prayer Class

The Temple of the Living God welcomes you to this new and inspiring class that will give you a deeper understanding of the

metaphysical interpretation of the world famous Lord's Prayer taught by the Christ. Facilitated by our own Rev. LeRoy Zemke, you will be inspired by the class experience.

Together, we will learn why the prayer is still so popular after 2000 years of history.

Three major points will be addressed:

1. The expansiveness and inclusiveness of the language of the prayer.
2. Keys that unlock its mystery as we repeat it and speak it aloud.
3. Images and ideas that offer comfort and a deep healing Universal blessing.
